PROFESSIONAL STYLE SINKS

Prima Stainless Steel Sink

Welcome to PRIMA where water finds itself. From premium stainless steel kitchen sinks in European designs, to unique vitreous porcelain sinks, you will find the perfect expression of your artistic vision in our extensive lines. PRIMA is located in Virginia for convenient shipping across the state.

A Division of Dynamic Stone Tools. Prima offers High Quality Sinks at a Great Value with Exceptional Service. We distribute our own sinks with a great control over cost and quality, with sales and distribution. We are located in Virginia for convenient shipping across the country. Prima proudly maintains the high standards and ethics our industry demands. We are also afforded the ability to create exciting new designs according to the market. Because of the great feedback from our customers, we can develop products that customers want, at a price they are willing to pay.

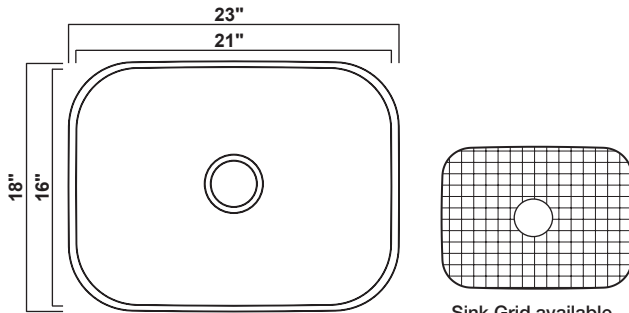

Currently we are trying to supply our Sink Custom Accessories. At our newly expanded office hours, our sales team works tirelessly to process every order with care. We are passionate about our sinks and think you should have them as soon as possible. We guarantee to process your order within 24 hours.

Our priority is to satisfy our customers with best:
“Quality, Value and Service”
